Steer Tagging and Weigh In

3. (A) All Steers must be brought to the fairgrounds on the date designated by the Livestock Committee for initial weigh in. All Steers must be tagged with USDA tags at that time. No steers will be accepted at initial weigh in without that OFFICIAL USDA IDENTIFICATION and the Fair is not able to tag any animals with USDA official tags. All Exhibitors must be present at initial weigh-in unless excused by the Livestock Chairman. All steers must be castrated and dehorned prior to weigh-in. Each steer will be tagged with a CCFA Numerical Tag at initial weigh-in.

(B) In the event a steer loses its OFFICIAL IDENTIFICATION TAG, OR the CITRUS COUNTY NUMERICAL TAG, YOU MUST NOTIFY THE FAIR OFFICE WITHIN 72 HOURS. If the lost tag is the USDA ID Tag, then a replacement USDA TAG must be obtained (BY THE EXHIBITOR) and the animal retagged. Once the retagging is complete, the fair office must be notified. If the lost tag is the CCFA Numerical tag, retagging prior to entry into the fair is at the discretion of the Steer Superintendent or the Livestock Chairman.
No Steer will be off-loaded from the trailer at either initial or final weigh-in without Official USDA identification.
